Length of Service Ceremony

@ Warner Club
Fri, June 25

A photograph of a single red rose in full bloom, positioned in the center of the frame. The rose is set against a white tablecloth. In the background, a white certificate with a yellow seal is visible, partially obscured by the rose. The certificate has the words 'Length of Service' and 'Ceremony' printed on it. The background also shows the backs of several chairs with a reddish-brown patterned fabric.

More than 100 guests attended this year's Length Of Service Ceremony at Warner Club to honor the 28 employees celebrating their 20th , 25th , 30th , 35th and even 40th jubilee.

Length of Service Ceremony

“I am both honored and humbled to address you today. Honored because of the occasion: the recognition of our team members who have served America and Germany with distinction. Humbled because of the duration of this professional commitment, between 20 and 40 years.”

LTC Daniel Thomas, 279th BSB

“We face new challenges in the world today, but it is with service from people like the ones we honor today that I am confident we will continue to prevail.”

LTC Daniel Thomas, 279th BSB commander
